Poor Box money is used to assist people in temporary need who approach our Parish for financial assistance with clothing, food, utilities, rent, prescriptions, etc. Indirect assistance is also provided through funds given to several local charities, including the Corpus Christi Food Pantry and the Nashua Soup Kitchen. Donations are never used for parish expenses. Your continuing contributions allow our Parish to fulfill the Lord's command to help "the least of my brothers and sisters."

Our St. Vincent de Paul members conduct confidential personal visits to provide spiritual and financial support as necessary. If you know of persons, either in or outside the Parish, who might benefit from our assistance, please encourage them to call our dedicated phone line at 821-5267.

Thank you!

ST. PATRICK & HOLY CROSS CEMETERIES

St. Patrick Parish has two beautiful cemeteries located in Hudson, NH - St. Patrick Cemetery on Derry Road and Holy Cross Cemetery on Ledge Road. For more information on available lots, please contact Margie Gray at 603-881-8131.

Current Special Collections

At St. Patrick's we do not pass the basket for second collections. Instead we invite people to consider the many appeals that come before us during the year. Information about the appeals and associated special envelopes are available on the back tables and in the vestibule. Thank you for considering these needs and acting according to your considered judgment and own resources.

Currently we are receiving offerings for the following purposes:

Retired Religious Sisters and Brothers

Every December the Church in the United States has a special collection for retired sisters and brothers. These funds support thousands of retired religious who served Catholics so well, especially in parish schools. We will receive donations for these good women and men through Advent. To date we have received **\$2,601.00**. Thank you for your generosity.

Christmas Flowers

Envelopes are available in the vestibule for people who would like to make memorial donations for Christmas flowers in our church. We will compile a memorial list and publish it on January 8, 2017.

St. Patrick's Capital Campaign

Our Capital Campaign, which began last January, has been very successful, having raised 75% of our \$850,000 goal in just 10 months. It is now possible to make direct (non-pledged) donations whenever you desire. Special capital campaign envelopes are in the rear of the church. A plain envelope or check marked "capital campaign" will also suffice. Please remember that all capital campaign donations are used *exclusively* for upgrades and building projects within the parish.

ENGAGED COUPLE SEMINARS
St. Kathryn Parish - Hudson, NH
Saturday, January 28, 2017
9:00AM – 5:00PM

Engaged Couple Seminars help couples prepare for marriage by opening doors of self-awareness (for example, looking at family of origin, spirituality, and beliefs about the roles spouses take on in marriage). Fundamental communication styles and preferences are named, discussed, and woven throughout a variety of subjects during the seminar, providing a rich source of information to refer back to as couples enter marriage. Engaged Couple Seminars also provide a place for couples to meet other couples - not only to share the experiences of engagement and planning a wedding, but also to share in the excitement and struggles that go along with planning for a life together.

Revised Norms on Cremated Remains

On October 25, 2016, the Congregation for the Doctrine of the Faith issued revised norms regarding cremation. While the document says nothing new, it does use much stronger language to clarify some common misunderstandings and to prevent the continuation of some practices now regarded as irreverent. Here are the main points.

Full body burial remains the preferred practice for Roman Catholics. This custom, which originated very early in Church life, best reflects the Christian belief that the human body, living or dead, is profoundly sacred. It also imitates the experience of Christ, whose dead body was lovingly entombed.

Cremation, which the Church had explicitly prohibited since the 5th century, continues to be **tolerated as an exception to the norm**. Some reasons for choosing this exception could be difficulty transporting the body from a great distance, danger of health risks, unavailability of a proper burial place, and true financial hardship.

Cremated remains must be buried in a sacred place. This establishes a permanent and precise location for the veneration of deceased loved ones.

Cremated remains must be kept fully intact and not divided into multiple parcels for multiple interments. Cremated remains should never be inserted into jewelry, souvenir boxes, ornaments, and so forth. Such things have a high probability of being stolen or discarded by subsequent owners.

Cremated remains cannot be retained permanently by family members or other people. This practice raises the possibility of eventually losing the remains and having them treated disrespectfully.

Cremated remains must never be sprinkled or dispersed into the air, rivers, or other bodies of water. Such practices are intimately associated with religions that explicitly reject the classical Christian doctrine of the Resurrection of the Body. [Note: burial at sea is an acceptable option but the cremated remains must be intact.]

Unfortunately, each of these practices has recently occurred among our own parishioners, largely because of misinformation or the pressure of the moment. Now, however, in response to the deep concerns expressed by the Church's new document, we will strive to protect the integrity of the Church's Funeral Rites by verifying burial plans for those who freely chose cremation. Hence, Funeral Masses, Memorial Masses, and Funeral Services will always presume proper burial at a clearly determined time and place. Also, we will accommodate people who may currently possess cremated remains who now desire proper burial. Just ask for assistance and we can help with arrangements.
