Poor Box money is used to assist people in temporary need who approach our Parish for financial assistance with clothing, food, utilities, rent, prescriptions, etc. Indirect assistance is also provided through funds given to several local charities, including the Corpus Christi Food Pantry and the Nashua Soup Kitchen. Donations are never used for parish expenses. Your continuing contributions allow our Parish to fulfill the Lord's command to help "the least of my brothers and sisters."

Our St. Vincent de Paul members conduct confidential personal visits to provide spiritual and financial support as necessary. If you know of persons, either in or outside the Parish, who might benefit from our assistance, please encourage them to call our dedicated phone line at 821-5267.

PETER'S PENCE COLLECTION

June 27 & 28, 2015

Every year on the weekend closest to the Solemnity of Sts. Peter and Paul, the Church invites Catholics to support the work of the Holy Father. This collection is known as "Peter's Pence." In keeping with our custom of rarely passing the basket a second time, we will receive donations through the special Peter's Pence envelopes available in the vestibule. Or, if you prefer, you can drop a check or plain envelope marked "Peter's Pence" in the basket. We will receive these offerings for the great work of Pope Francis through the remainder of June and July. Thank you for supporting the Holy Father's witness!

Building on Our Past/Securing Our Future

Phase 1

In 10 days we will “close the books” on Fiscal Year 2015. The generosity of many parish members made it possible for us to **balance our budget**. Thank you to everyone -- large and small givers, regular and occasional. Every dollar helps.

Two years ago *Team Engineering* did a complete review of our very large and old facilities. We know what we need, what it will cost, and which things are absolutely necessary. These projects will be expensive and cannot be funded by our regular collections or cash reserves, which are currently less than 50% of one year’s income. To avoid debt, which we have not had in many years, and the paralysis of “deferred maintenance,” we must act in a timely and prudent manner.

Here’s a brief overview of our needs:

- We need a **new boiler** in the Parish Center/Gym to replace the obsolete, fuel guzzling monster in our empty school. This project must be done during the summer before cold weather returns. Fortunately, we are "partnering" with the Police Athletic League (PAL), which uses our gym regularly.
- We need to protect our irreplaceable church with a **modern fire suppression system**. Sooner or later this will be mandated by some governmental entity.
- We need **handicapped accessible bathrooms** and at least one **confessional** in our church.
- We must arrange an **aggressive preservation program for the 100-year old roof** on our church. This will save us from the enormous cost of a complete replacement in the future
- We must replace the severely degraded **drainage system** on our property to stop periodic flooding during rain and snow storms.
- We must insulate the rectory and install modern energy-efficient windows.
- We must develop a brand new section of St. Patrick’s Cemetery before our available inventory disappears.

Before settling on a “total package” of projects, we want everyone's input. To do this, we have engaged Cornerstone Fundraising, which has helped many Catholic parishes like ours. These experienced professionals will conduct a parish-wide *Planning Study*. This process will give us some sense of what financial resources we can generate and what people want for the future of St. Patrick’s.

During the summer, the Cornerstone staff will conduct **interviews, focus groups, and a direct mail survey** as part of the study. Everyone will have the opportunity to participate in one of these forums. Your opinions and suggestions will enable us to formulate a final plan that will help meet the needs of our entire parish.

Thank you for your abiding presence, financial support, and willingness to participate in this process. More information will appear in the bulletin as we move along. And please pray for our time-tested and venerable parish as we plan for the future.

Thank you!
