Many people have purchased copies of the Daily Roman Missal for the Latin Mass. To help people navigate more easily through the Missal, Fr. Kerper will offer a 60-minute "Tour" on **Sunday, September 14**. The presentation will begin following the coffee hour **after the 12:00 Mass**. If you have a Missal, please bring it along.

Adult Confirmation Preparation

Several people have requested preparation for the Sacrament of Confirmation. Last year, Fr. Kerper provided a series of instructions on Saturday afternoons at 2:00 PM. Anyone interested in receiving Confirmation is invited to be in touch with Fr. Kerper for more information and to settle on a day and time to get together. He will also accommodate people who had started preparation in the past but never finished for various reasons. We hope to start in October. Please call 882.2262.

OUTREACH GROUP MEETING

The Parish Outreach Group will meet on Thursday, September 18, 2014 at 7:00 PM in the Parish Center. Anyone interested in participating in Outreach is welcome to attend. Meetings are scheduled for the 3rd Thursday of each month unless otherwise noted.

Mission Statement

The members of St. Patrick Parish Outreach are dedicated to bringing the spirit of Christ to the members of the parish, who through age or infirmity, are no longer able to physically participate in the life of the parish. Members of the St. Patrick Parish Outreach:

- Visit the sick and homebound members of the parish, whether they are in their own homes, in a nursing facility, or an assisted living center.
- Each Outreach member visits a person at least once a month and the visit lasts as long as the person being visited wishes.
- As any good friend, the Outreach member is there as a companion to offer support by listening and talking to the person being visited.
- If so desired, we will pray with the person.
- Outreach members may distribute sacramentals, such as prayer cards, scapulars and rosaries.

Happy Birthday Mary!

Since the 6th century, the Catholic and Orthodox Churches have celebrated the Birthday of the Blessed Mother on September 8. How do we know Mary's *real* birth date? Well, to be frank, we don't.

From ancient times Mary's birthday has been linked with the dedication of a basilica built in her honor in Bethesda in the 5th century. This site was chosen because people believed that it had been the home of St. Joachim and St. Ann, Mary's parents. Note also that September 8 occurs precisely nine months *after* December 8, the Solemnity of the Immaculate Conception, which marks the beginning of Mary's existence within her mother's womb.

Among the Eastern Orthodox, the birthday of Mary is also the beginning of the new church year (for Catholics, the first Sunday of Advent marks the new year). From the Orthodox standpoint, Mary's birth was the decisive starting point of the great drama of salvation in Christ. How so? Because Jesus is truly the Word of God "made flesh"; he emerged from a true human being, Mary. Rather than dropping out of the heavens without any real connection to the human race, the Lord's humanity comes *entirely from a woman*: for if there is no Mary, there is no Jesus. Hence, the "biography" of the Son necessarily begins with the birth of his Mother.

Scripture, of course, says nothing at all about Mary's birth. We have the names of her parents from a 2nd century text called *The Protoevangelium of James*, but we know nothing about the circumstances of her birth, not even the precise date. Unlike the birth of her Son, Mary's birth was quite ordinary and hidden. This "ordinary" quality is what links her birth to us.

Fr. Alexander Schmemmann (d. 1983), a great Russian Orthodox priest and theologian, explained that Mary's "ordinary" birth teaches us that good, wonderful, and holy things arise from the ordinary all the time. "Every entrance of a new human being into the world is a miracle or miracles," Fr. Schmemmann wrote, "for it marks the start of something unending, the start of a unique and unrepeatable human life." The people who witnessed Mary's birth had no inkling of who she was and what she would become. Her unique and mysterious vocation as Mother of God was completely hidden under the guise of ordinary routine. According to Fr. Schmemmann, we should learn to look beneath the ordinary to see the sacred in our midst. The Nativity of Mary invites us to sharpen our vision and to see God's many surprises in the midst of the ordinary
